

CORTINA HOMEOWNERS ASSOCIATION PRIVATE MAILBOXES

Cortina Homeowners Association maintains the mailbox “structures” within your neighborhood, but does not maintain or re-key individual mailboxes.

Homeowners are responsible for the maintenance and re-keying of their individual mailboxes and may use a locksmith of their choice or a contractor that specializes in mailbox repairs. The following information is provided as a courtesy to Cortina homeowners and residents who may be in need of such work:

Contractors who service mailboxes:

Steve Woison
602-702-1046

The Mailbox Man
480-831-7377

Casey O’Neil
Mailbox Security Systems
602/510-4095

Note: This is not an endorsement of these contractors by the Association. The HOA recommends that all contractors should be checked with the Registrar of Contractors and/or the Better Business Bureaus.
